## ABOUT IUINDRR-NIDM

Hon'ble Prime Minister of India has proposed a 10 point agenda on disaster risk reduction. Agenda 6 of the PM 10 point agenda emphasizes on a network development of Universities to work on disaster issues. In order to address capacity, skill and knowledge gap, the Agenda 6 stresses on the need to "Develop a network of universities to work on disaster issues in India". Furthermore, the Agenda 6 envisions enhancing global & regional level actions under Priority 1 (d) in order "To promote common efforts in partnership with the scientific and technological community, academia and the private sector to establish, disseminate and share good practices nationally & internationally". Hence, to address this vision and keeping the importance of Universities and Institutions, India Universities and Institutions Network for Disaster Risk Reduction (IUIN-DRR) is being established by NIDM, MHA, GOI. The India Universities and Institutions Network on Disaster Risk Reduction (IUIN-DRR) is a Government of India Initiative to promote, strengthen the field of Disaster Risk Reduction in India through comprehensive framework knowledge, skills, innovations and research.
