NCNCON-2023

3rd PGIMER National Critical Care Nursing Conference

"Challenges and Updates in Emergency, Trauma and Critical Care Nursing"

27th-28th January 2023

Bhargava Auditorium, PGIMER, Chandigarh, India

www.societyforccn.org

Academic Partner

National Institute of Disaster Management (NIDM)

[Ministry of Home Affairs, Govt. of India]

Message from Organizing Team

Dear Delegates

It is a matter of immense pleasure and privilege to invite you all to participate in 3rd PGIMER National Critical Care Nursing Conference (NCNCON 2023). The Society for Critical Care Nursing, Society for Emergency, Trauma and Disaster in collaboration with National Institute of Disaster Management (MHA, GOI) cordially invite you to attend the 3rd annual conference at Bhargava Auditorium, PGIMER, Chandigarh from 27th to 28th January 2023.

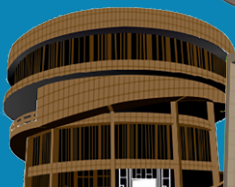

The Pre-Conference Workshops will be held on 27th January 2023 with the intent to increase the cognitive as well as the clinical skills necessary for the care of the patient. Participants can get the feel of real-life scenarios with the hands-on workshops.

This conference will provide an excellent opportunity for delegates to share the platform with renowned national experts from the field of Emergency medicine, Trauma, and Critical Care Nursing. This two day event of academic excellence will enlighten the nursing fraternity to expand the horizons of their knowledge in Critical Care Nursing and during disaster situations.

Chandigarh, the city beautiful looks forward to welcome you to this grand academic event of the year 2023.

Chandigarh; The City Beautiful is one of the best-planned city in the world. The city was designed by the famous French architect, Le Corbusier. It boasts about the balance between an urban cityscape and natural spaces and has major tourist attractions. Chandigarh is best known for its architecture, lush gardens and serene Sukhna lake. It is a gateway to hill stations like Morni Hills, Shimla, Kasauli, and Manali as well. The venue Bhargava Auditorium, PGIMER is proximal to the main tourist attractions of the city like Sukhna Lake, Elante Mall, Rock Garden, and Rose garden.

About Society for Critical Care Nursing[®]

The Society for Critical Care Nursing is a membership-based, non-profit organization whose members represent critical care nursing from around the world. Members are health care professionals who are innovators and leaders in research, education, management, and direct critical care. The Society provides educational programs, mentoring, interest groups and outreach services to its members.

About Society for Emergency, Trauma and Disaster[®]

The SETD has vision and mission of improving knowledge and practices in the area of Emergency, Trauma, and Disaster management in hospitals. The society's mission is to share mutual practices and advancements in disaster and mass causality management and mitigate the risk of disaster by advanced preparedness of hospital response systems and stack holders.

About IUINDRR-NIDM

The Indian Universities and Institutions Network on Disaster Risk Reduction is established by NIDM pursuant to GOI directions, particularly in conformity to the agenda-6 of the 10 point agenda for Disaster Risk Reduction(DRR) by the Honorable Prime Minister of India, Global issues on Climate Change Adaptation (CCA), Sendai Framework for Disaster Risk Reduction (2015-2030), and Sustainable Development Goals for promoting education, innovative technology and research, facilitate capacity development.

About NIDM

The National Institute of Disaster Management was constituted with a vision to play the role of a premier institute for capacity development in India and the region. The efforts in this direction began with the formation of the NCDM in 1995, it was re-designated as the NIDM under the Disaster Management Act 2005. NIDM has been assigned nodal responsibilities for human resource development, capacity building, training, research and policy advocacy in the field of disaster management.
